

GBTEN Chapter.. Catch22 Programme. Upgrade Programme Information Sheet.
File ref: Catch22_info_#210. Dated 17/01/2004 For information purposes.

- . At 22,000 points you will qualify for the Catch22 upgrade Programme. Worksheets are issued for each of the three parts and each completed part is worth points to you. You must work through each part as issued.
- . A Racecourse or a Racehorse # is issued with the first section and a Racehorse or a Racecourse is issued with the second part. Both the Racehorse and Racecourse #'s need to be added to your list.
- . The upgrade is complete when all 22 Racehorses and all 22 Racecourses have been collected and submitted for credit. Your own Call and Information cannot be used in your submission.
- . Further Programme information is available when you have completed the third and final part (See separate info sheets on Train/Jock).
- . WILD CARDS: One JOCKEY number can be used in place of a RACEHORSE and one TRAINER number can be used in place of a RACECOURSE. Only one of each in your entire entry of three worksheets is permitted.
- . When you have completed the Catch22 upgrade you will receive either a TRAINER or a JOCKEY number of your own for use in the continuation Programme which follows. Further information on this Programme is available from the Train/Jock link from here.
- . The worksheets issued with each of the three parts have more information and details of what is needed in each of the three worksheets.
- . I hope that this info sheet has been helpful to you..
