### Which Specials and Seals should I list?

Edinburgh Word Search #1 = YES	Classic Cars = YES	Pantomime = YES
GoGold = YES	Racehorse #s. Racecourse #s. Trainer #s. Jockey #s	
Edinburgh Seal Number	5K Seal Number	10k Seal Number
WACS Seal	WAFS Seal	CAR Seal
ICON Seal	OAKTREE Seal	MACON Seal

Please note: Do not mix up your CAR number with the CARdiff seal #. The CARDIFF seal was discontinued from lists some 2 years ago. Please do not list your old Cardiff seal number!

Please note: Not all members will have all this information to list. This is because the GBTEN programme is a progressive one. You will need to have reached a certain level before you move onto some of our programming.

Other seals and/or Specials may be added or removed from time to time. Information will be posted by your CM. Please remove all other previously collectable and listed Seals..
